

ORNATUS®

Features:

Usage : Mainly used to eliminate electromagnetic interference EMI , to prevent body harm from electromagnetic wave.

For manufacture of computer peripheral , monitor , or transformer and so on

Also for soldering purposes

Type : Copper Foil Tape

Material : CU 99.98%

Side : One Sided Conduct

Adhesion: 1.5 ~ 1.3kg / 50mm

Temperature resistance: -10 Degree --- 120 Degree

Force: 4.5 ~ 4.8kg / mm

Elongation: 7-7% to 3-4%

Size: 50mm x 33m
